

Financial Assistance Policy Summary

The Jerome Golden Center for Behavioral Health provides financial assistance based on a patient's ability to pay.

The Jerome Golden Center will never turn anyone away due to inability to pay; however, there is a cost to all services provided and a fee will be charged for each service you receive.

In order to assist you with your financial obligations, Jerome Golden Center will work with you to see if you qualify for a discount based upon your household income and the number of persons residing in your home. We will utilize a sliding fee scale set at or above 150 % of the Federal Poverty Income Guidelines. Please bring supporting documentation such as Income Tax Return, most recent paystubs, W2, Bank Statement, in order for us to determine if you qualify for A DISCOUNT.
